

# Come Grow with Ontario's Development Corporations

CA20N  
IT  
- Z212

OF ONTARIO

**If you are involved in**

- secondary manufacturing
- a service industry supporting manufacturing
- a tourist operation
- exporting

in Ontario

**You should be talking to us**

**If you need money to**

- expand your present operations
- establish new operations
- introduce a new product or technology
- finance your exports
- install required pollution control equipment

**You should be talking to us  
right now!**

# We are the Development Corporations of Ontario

**We offer**

- incentives and other loans designed to encourage economic development
- financial and management advisory services to all types of business
- programs designed for particular regions of Ontario: South, East and North
- manufacturing space for rent in two industrial parks

**We have  
the dollars and  
sense to help your  
business grow**
